1. Restaurant Gift Card offer. The Cardholders get great deals on dining out with a \$50 Restaurant Gift Card, that is redeemable online for certificates to thousands of restaurants across the US. There are currently more than 10,000 restaurants available nationwide. Each family will be required to buy **"five"** cards at a total cost of \$100 and may sell the cards at \$20 each to re-coup their investment.
***For the families that do not wish to participate, they may chose the Buyout Option and just pay \$50.
