

Crown Point Swim Club Participation Policy Summer 2010

The Crown Point Swim Club is a cooperative venture that requires parent participation for a successful program. This participation policy was designed to provide guidelines regarding the minimum amount of family involvement required in CPSC activities. Many families volunteer beyond the minimal standard required, and we encourage families to get involved.

1. **All families** with a swimmer(s) are required to work a minimum of ***Two** “sessions” over the course of the season.

A “session” means: **1)** one job at any dual meet(s) set up by the coaching staff; **2)** timing/officiating at any home dual meet set up by the coaching staff; **3)** a session out of five of timing at the NWISC Championships location to be determined.

2. At swim sign ups **ALL families** must write one post-dated check in the amount of \$100.00. The check should be post-dated for July 12, 2010. After working the minimum required sessions, and have cleared any outstanding fees the checks will be voided and/or returned. Failure to work the **Two** required sessions will result in the forfeiture of the held deposits as of July 12, 2010.
3. All swim families will be provided various opportunities to meet their minimum participation requirements. The Meet directors will have participation sign ups 4 weeks prior to each hosted meet. The dates and times for sign ups for worker sessions will be posted on CPSC web site and a mass email reminder will be sent out with information regarding dates and times. At the participation sign up, there will be a description and details available for each job. Jobs for the meets will be filled as a first come first serve basis. The assigned jobs will be posted at the pool (bulletin board) and on the CPSC web site as soon as possible.
3. Various supervisory positions, (i.e., chair) will fulfill all session requirements with CPSC. Some examples of chairs include, but are not limited to the following:
 - 2 Meet Directors
 - 2 Chairs for concessions
 - 1 Chairs for Team Awards
 - 1 Chair for Spirit Wear
 - 1 Chair for Hospitality
 - 1 Chair for Public Relations
 - 1 Party / Banquet Chair

There may be other positions determined by the Board of Directors that are needed that can fulfill these requirements, if the need arises. Available positions will be announced at the parent’s meetings.
