This is a tentative schedule of meets and subject to change.

Note: All meets listed are TEAM meets. Although there are other meets going on in the state and in the area, we will be attending no other meets as a team. If any swimmer wishes to attend a meet NOT scheduled on a non-team meet weekend, then the swimmer must get approval by the Coach John. The swimmer and parents will be responsible for entering & getting the final results from that meet, both on paper and on disk for the coaching staff.

* At least one conference team dual meet is required in order to swim the NWISC Championships

**ALL Championship meets have a qualifying standard to enter the meet.
